Post-Graduate Nursing Certificates

Would you like to add a role specialization?

Are you interested in an area that is not the role specialization obtained for your MSN degree?

Our post-graduate nurse certificates are designed to strengthen or broaden the practice, leadership, or teaching capabilities of masters or doctoral-prepared nurses who are planning a role expansion or role change.

View the curriculum online or request more information at usa.edu.

PROGRAM OVERVIEW

- Add a certificate to your existing MSN or DNP degree to increase your role specializations
- Certificates offered in each of our four specializations:
 - Family Nurse Practitioner
 - Nurse Educator
 - Nurse Executive
- Expand your knowledge base after completion of your MSN or DNP degree to achieve your next career goal.
- Learn from faculty who are leaders in their fields, many of whom are currently practicing, presenting original research at major conferences, and publishing books or articles in respected journals.

WHY CHOOSE THE UNIVERSITY OF ST. AUGUSTINE FOR HEALTH SCIENCES (USAHS)

Access to USAHS Community and Network of Professionals

USAHS is an active community of health science professionals from many disciplines. MSN students can benefit from connections to our alumni and our expansive network of professionals for collaboration, support and access to career opportunities.

View the curriculum online or request more information at usa.edu.

Transfer of credits within the University is determined on a case by case basis. Transfer credit will, in most cases, be approved for graduate coursework awarded by schools, colleges, or universities that have recognition from the Council for Higher Education Accreditation (CHEA), and the U.S. Department of Education.
